dience Decree recently issued by the Empesudden and violent reaction at Peking. as correct without further corroboration. What is more probable is that it has been found by the Peking Authorities that the first Audience, which was to have been accord- kong with the Straits cricket, team last year, ther this declaration is merely the expresed some time during the first moon of the New met with an accident. The Free Press says:- slon of French wishes, which have Year, cannot be conveniently held at present late Prince CH'un. At first it was decided injured on the face, having had a tooth knocked has lately taken place between the Vatican and by the Empress Downger that it would only

meon for the reception of the Foreign Repreat all unlikely, that home censor, who is Al of one of these craft was charged with carrystickler for ancient customs, has found a ing 189 passengers, the licence allowing only 89. precedent which it may be considered wise originally thought desirable. The Censorate are rather given to such action in order to vindicate their position as the critics even of measures which have received the Imperial PREMISES signature. This is a feasible supposition, though of course it is possible the information annulled in consequence of adverse criticism from the Censorate. It is to be hoped, executed by the Imperial Government, for it would undoubledly give rise to the impression that the death of the Emperor's father had made room for a successor. Botanical Gardens at Singapore, we learn from imbued with reactionary tendencies and the Free Press, a chodedendron to which is attach. anti-foreign feeling. Chinese progress is back of the clock is needed in this the most

conservative of empires.

THE recent announcement that the China Inland Mission is about to send out to the Central Kingdom a small army of missionaries to reinforce those now working in the interior would seem to have aroused some feeling of opposition among Chinese officials. A Shanghai contemporary states that a strong ply is 10,000 men short. In Northampton anti-foreign feeling is being promoted in owing to the notivity of the boot-trade, the ed in tayour of a Republic and entrenched them-[389] some parts, and in Honan province is so great that the officials and gentry have number of men for the new draft arrived per agreed and combined to prevent any more foreigners taking up their residence there shout 160, and a number of the men whose seven for missionary or other purposes. Some missionaries belonging to the American Presbyterian Mission have even been driven out of their premises at Chi-ning-chow in Shantung, forced to fly for their lives by the mob, and they could obtain no protection The same being specially selected by our from the officials. In Szechuen anti-foreign Loudon House, and bought direct from the most feeling, always more or less active, is being by ourselves, thus enabling us to supply the best fanned into a flame. The Christians in that of the let Army corps, so that it will not be province are very unpopular, and there has been renewed rioting at Pisan, which it is believed was instigated by the liverati. No which is more frequently displayed towards those of American nationality, is not wholly unconnected with the coreness felt in China General Sir Charles Warren. At an estimated at the determined exclusion of the Chinese from the United States. From time to time threats of retaliation against American resideuts and missionaries have been uttered. but so far the Chinese Government have into execution. None the less the action 0.60 Republic and also by the Australian Colonies, in legislating against Chinese immigration is deeply resented at Peking. spread among the Chinese people, who and the news that the Golden Gates are now

is likely to deepen into a positive grievance, and the ill-will engendered may be vented on the missionaries and their converts. At all events there is the danger of such a result. The literati, ever on the alert for a pretext for arousing animosity to the un welcome teachers of an alien faith, will not Case. Several official changes will take place during the next week or two. We hear that the Hon. Floming, C.M.G., Colonial Secretary, will go home on leave by the next French mail, when ror Kwang Su has been annulled, is a rather | the Hon. W. M. Deane, C.M.G., will again be startling one, as if true it would indicate a come Acting Colonial Secretary, General Gordon becoming Acting Captain Superintendent of Police. Captain Rumsey, Harbour Master, goes do not, however, feel inclined to accept it home on leave by the troopship Himalaya, and Captain Hastings, Assistant Harbour Master ! will take charge of the department.

A fire occurred at Singapore on the 1st in- institutity, who would be protected by their stant, in which Mr. Owen, who came to Hong- respective Legations and Consulates. We are sorry to hear that Mr. G. P. Owen, continually directed against the appoint-Superintendent of the Fire Brigade, while on ment of an official agent of the Vatican swing to the mourning ceremonies for the duty at the fire early on Sunday morning, was at Peking, or whether really an approchement down his throat, and besides had his foot Paris, is not clear. It is, however, more than damaged. We may take it for granted that the probable that the example of the "decentralisabe necessary for His Majesty the Emperor | Municipality will honour the bill for the necessary | tion of the missions will be followed by sill "repairs," seeing that the pers nal damage was Trusty Powers having representatives in Peking incorred by Mr. Owen in the performance of an and missionaries in China and this reform it that case there would have been no difficulty preent, not to say dangerons, public daily me a being met with fayour by the Chipese Covers. in arranging for a suitable day in the first Municipal officer.

Captain Rumsey imposed a fine of \$25,

Phya to recover the damages becasioned by a collision between the two vessels. His Lordship destined for the Caroline Islands, the Marianne found both vessels to blame for the collision and made the titual order as to damages, each party to pay his own costs.

There is at present in the plant house in the

ed a peculiar significance, inasmuch as it is be anti-foreign feeling. Chinese progress is lieved to be the only one ever found indigenous slow enough in all conscience, and no setting in Singapore. The rhodelendron is a north temperate some plant, and though Aipine varieties are found in the hills in Java, no specimen has hitherto been known to grow at so low an elevation in this latitude. It was got from the top of an enormous dipterscarp on Bukit Timeh, and some trouble was experienced in bringing it down from the top of the tree, 212 feet from the ground Although the roots were necessarily somewhat torn the flower is un spured and it is hoped that It will survive the rough usage.

recruiting is in a bad way at home and the supdepot from which the 58th Regiment is main- selves in the Town Hall, where they were tained has been unable to provide the expected bombarded by the loyal portion of the troops. steamer Himalaya. At first the draft was antinipated to amount to 280 men; it was only years period with the colours expired in December are to be retained with the buttalion one year longer instead of new going to the reserve ()f course the continued presence of so many trained soldiers in the regiment is of great value these short service days. When the 58th does move, which may be in October, it will probably go to Gibraltar, the 64th from the Cape being the regiment likely to take place. The 40th, the sister battalion, is now at Alderabet and has been put upon the strength

service abroad A correspondent writes :- "I learn from Sinrapore of the wonderful practice made from the recently mounted 9-2 B L. gans under command range of 6,435 yards the gunners cut away the flagstaff of the target at the second shot. As hese shell weigh nearly 3a owt, and at that range have a striking velocity of about 1.185ft. a second, it is easy to see what formidable weapons they are in the hands of these well trained men. Several other shell, I understand, states his belief that " the cutting of a flagstaff | formance." If he is a billiard player he will o a human eve directed along the line of might of place. closed to the sons of Han, this resentment of a gun; and (2) what was the power of the

particular eye which contrived to see it P The Broad Arrow makes the following remarks with regard to the action of the War Office in conveying troops to China by the Easterly route instead of vid Usnada:-The Canadian Pacific, Railway is completed from Halifar to Vancouver. Trains run scross in Canal, the War Ciffice perseveres in the practice by the latter route. And this it does in the face of the postal contract for the conveyance of mails to Hongkong via Halifax or Quebeo and Vanconver, which was entered into in July, 1889. and is now about to come into force. The Railway was for some time before the Governscheme as a whole, offering as it does direct communication entirely through British territory considerations." The latter were admittedly of contract was avowedly made under the pressure

of the War Office and Admiralty, neither the one nor the other is utilising it. The following items are from the London ar China Express of the 9th January :-Her Majesty's troopship Tyne left Gibralta on the 7th inst. en route for China.
